Jerry Langston

Jerry,  
It's been fun  
Sitting by you in  
Science. I'll see you  
Sometime in the Summer  
Rock on, Lisa

TERRY,

What a beautiful last name,  
Really you are a neat kid and  
I've enjoyed you in this class.  
Come swimming this summer.  
Have fun, don't do anything  
I wouldn't do.

A pal,

Jessica White

Terry -  
 I'm proud to be able to say  
 that you were my best student  
 all year. Keep in there trying  
 you'll be able to succeed by  
 persistent effort. Have a nice  
 summer. *Don Howard*

Terry,  
 you are a  
 real neat kid  
 stay that way  
 and have fun  
 this summer  
*Toni Houston*

Terry,  
 you're a real  
 little kid. Have  
 a nice summer  
 and stay out  
 of trouble  
 see you next  
 year. Terry  
 friend well  
 keep

*Donna Clark*

Keep smiling.  
 Hope to see you this summer  
 really a super nice guy.  
 a super cool year. you  
 Hullo, it sure has been  
 Terry,

another  
 year's  
 gone by. Thanks  
 for being my friend.  
 Have a fun  
 summer and  
 be nice and  
 leader your friend

"We Can Be Free"

HURRICANE HIGH  
 HURRICANE, UTAH  
 VOLUME 1-1977

*we can lift ourselves out of ignorance; we can discover the creatures of excellence, intelligences, and skill born in us all; we can be free! we can learn to fly.*

*We Can Be Free*

*We Must Learn*

*we choose our next worlds through what we learn in this  
one; learn nothing and we have the same lead weights and  
limitations to overcome.*

# *We Must Push Aside Limits*

*Everything that limits us we must push aside, break the chains of our thoughts and we break the chains of our abilities.*

*ideals — we choose them  
as our guides, and follow-  
ing them, we reach our  
destiny.*

*We Can Choose*

*We Are  
What  
The World  
Is  
Tomorrow*

*Life is too short for varied goals, for a talent  
that's placed on the shelf, but life gives success  
that is second to none to the man who is sure of  
himself.*

THE

GANG

*Student Life*

*So much to do,  
So much to see,  
We are only  
beginning  
On the long journey of  
Life  
But the time we've  
Spent together will  
make it easier.*

*Roxxy*

"It's been a great year and I've really enjoyed

serving you. Hurricane High has made some changes for the better this past year and I hope, as time passes, they will become tradition."

*Jimmy Parker*

Thanks for your support and pride. You've

made this school the great school it is today. Remember the support and remember the pride because school isn't just a free ride."

*Patricia Gubler*

This last year of my career as a high school

student has been a memorable one. I hope the things we, as the Student Council, have tried to do will remain a long time after we've gone. Never stop searching for those gold mines! They pay off every time, right?!

*Teresa Davis*

"This has been a really good school year

We've had our ups and downs but you have those kind of things to have a successful school. Remember to always have pride in our school and stand up for what you know is right. Thanks for all the support

You kids get to class that was the last bell. If you think you can get an admit for going to Dixie  
 to see your girlfriend you've got another think coming. Can I use the phone? There's one out in  
 the hall. No, I can't give you your girlfriend's combination! I don't care if she is related.

A black and white portrait of a young man with dark hair, wearing a dark suit jacket, a white shirt, and a dark tie. He is looking directly at the camera with a neutral expression. The background is a plain, light color.

# THE GRIND

What was "the Grind?"

It was when after a hard day at school you came home, put your feet up, and slept. Or maybe on a bus trip you just felt your enthusiasm had konked out. Perhaps it had been on registration day, when every class you wanted was filled. The grind was just everyday happenings that were the times of our lives.

# TYPHOON AND HURRICANA PUT IT ALL TOGETHER

Typhoon and Hurricana began the year with hard work and success. The Yearbook staff started out by selling ads. Then came Yearbook Week; the theme was "Hollywood Swingin'." Some of the activities involved during Yearbook Week were: dressing up as Hollywood stars, selling yearbooks during noon hour, and the yearbook dance.

The Hurricana staff worked day after day to meet every deadline. Every two weeks a newspaper was published. They sponsored the Sweetheart Dance in February.

The Typhoon and Hurricana staffs worked hard to meet every deadline, and it took dedication and determination to accomplish their goal.

## CLUB DE ESPANOL

The Spanish Club members not only learn to speak Spanish, but they also learn the Spanish way of life, as they planned to visit Mexico this summer. And so they are very busy picking up pecans and sponsoring car washes to raise money.

Mary Howard tries to communicate to Mary Fawcett in Spanish.

Don't you understand plain Spanish??

# FUTURE FARMERS OF AMERICA

Hurricane's chapter of F.F.A. is one of the clubs that is always growing. They have a membership of almost fifty people. The purpose of the club is to enrich understanding and to apply skills useful in the future.

A "get acquainted" party began the year's activities, where F.F.A. and F.H.A. were bused to Dixie where they stuffed themselves at the City Park and traveled on for a rip-roaring time at the skating rink.

A few of their activities consisted of F.F.A. Week, that involved the traditional green hand initiation; sponsoring the Harvest Ball; as well as attending live-stock shows and state competition held in Salt Lake City.

Harvesting pecans and working on people's farms were two of their money-raising projects.

## ART GUILD EXCELS

The swish of paint brushes, crinkle of paper, and the laughter of students compose some of the sounds that often came from the art room hours after the school dismissal bell had rung.

With Mr. Larkin as their advisor, the hard working members of the 1977 Art Guild Club experienced a busy and successful year, participating in state art exhibits in Salt Lake City and also in a traveling art exhibit around our region. All of which helped them grow closer together as a club.

# RODEO — AMERICA'S #1 SPORT

Rodeo Club had an eventful year as they were involved in the Dixie Round-up Parade, the Homecoming Parade, and the Fair Days' Parade. Rodeo grounds were cleaned and the shoots were repaired. Their enrollment increased and with it came the fun of being together.

# NIKE CLUB SERVES OTHERS

The Nike Club wasn't devoted to developing certain talents, but was organized specifically to serve school and community.

Girls with an interest in people discovered what it meant to give of their time and effort to help others.

They sponsored money-raising bakesales, went caroling to spread that good ole Christmas Spirit. They also planned a Christmas program for the Hurricane Rest Home.

In return they received the feeling of pride and a sense of unity as they worked together for the benefit of others.

U.N., Forensics and Debate have taken over the world, and with a teacher like Mr. Kroff who can help it. This year more students participated in U.N. and Forensics than any other year. The Forensics team placed high in region competition. Particularly outstanding were Tina Campbell in oration and Chip Higgins and Robert Wahlquist in debate. The two countries represented in the model United Nations by Hurricane were Peru and Albania.

# THESPIANS: THE WORLD IS THEIR STAGE

What do you have when you add boys and girls who are interested in Drama? Thespians! That's what! The year was really great fun for them as the world opened up. With Kelly Lundeen as president, they acted out fun times such as having parties every month. In October they ventured over to St. George and watched "Flowers for Algernon" put on by Dixie College. December was highlighted by caroling around town.

The party ended with smiles and the spirit of Christmas. To close the year a banquet was held; awards were given to each member after a tasty meal. The world is truly a stage for Thespians.

With more than one-third of the girls in the school participating in F.H.A., how could you go wrong? All the many parties and activities were made fun with such a large crowd. The opening social was great fun when the F.H.A. and F.F.A. got together for their annual skating party. In December they sold cookbooks to people in the community. February was great fun when they sent singing Valentines to people in the school. Conventions in Cedar City and Salt Lake City gave the girls more insight into their role as future homemakers of America.

# THE NEW LIBERATED P.E. AND GIRLS' ATHLETICS

## LETTERMEN

A pounding drive of a halfback for that one extra yard, a smash hit into right field for a double, an ace in the final game of a tennis match — this is what it takes to be a Letterman. With Jeff Phipps as president, they planned many activities. The annual slave auction started off the year. The highest bid was Brad Holt for 30 dollars. The highlight of the year was the Letterman Banquet, where each boy received the letters that he had worked so hard for. As the year came to a close, each member remembered all the hard work and determination that was put into the past year.

# BOYS' AND GIRLS' STATERS

Every year four boys and four girls are chosen out of the jr. class to attend Boys' or Girls' State. This is a great honor as well as a fantastic experience. The girls went to S.U.S.C. where they ran for mock government offices. At the end of the week Governor Rampton addressed them. After which each girl got to shake his hand. Boy Staters traveled much farther to Utah State in Logan, Utah. They also ran for mock government offices.

The Kubettes marched proudly for the Hurricane Junior High in the half-time entertainment of football and basketball games. When some of the members were asked about the year as a Kubette, they said, "It's not easy to learn to march; everyone is tired and grouchy, but these are just some of the things we had to go through. Besides having our bad times, we had many good times also. We learned to work together and become closer as a club."

# TIGERETTES GET IT ON

"One year ago as we were chosen 1976-77 Tigerettes, we were excited and filled with enthusiasm. We wanted to make our club one of the best. As our year progressed, each one of us had to accept our share of responsibilities. Even though new Tigerettes will take our place, we will never forget the first time we wore our snappy new uniforms as we marched. We realized that by practice and patience we had built a club we could have spirit and pride in" . Tigerettes.

"Being a Tigerette meant getting up at 5:30 a.m. and a lot of hard work, but it gives us a sense of unity; it's a challenge. Now I know it's been worthwhile and fun . . .

# READY, SET, HUT

## ONE

Despite the injuries the team sustained, the Tigers finished the football season with 6 wins and 6 losses. In the words of one of the football captains, Roy Hoyt, "It was one of the most successful years in a long time. A contributing factor probably was being in a new region, Region 7."

Some of the outstanding members of the team received personal awards. The Deseret News selected Morgan Humphries as Prep of the Week for running the ball 326 yards in one game. This is one of the highest honors an athlete can be awarded in Utah. Morgan and Roy Hoyt were on the Deseret News First Team All-State. Craig Bettridge was second team. Spectrum All-Staters were seniors: Bill Turner, Roy Hoyt, Morgan Humphries, Craig Bettridge, Jeff Phipps. Honorable mentions went to Tom Beatty and Frank Prater, a sophomore.

To sum up the year, Coach Christiansen said, "The ecstasy of victory and the agony of defeat — what more can you say about a 6-6 season?"

J.V. Basketball is a building block for Varsity Basketball, and this year has been just that. They have struggled but succeeded in exciting all who have watched them. The work they have done in practice has been magnified on the game floor. The school and the coaches should be proud of what they've done."

Amid the sounds of cheers from the crowd, whistling from the refs., shouting from the coach, the basketball hitting the floor and tennis shoes pounding paths back and forth between baskets, the Varsity Basketball players hustled their way to a 10 and 11 season. "What sport is the most physically developmental of all sports?  
Wrestling!

What sport asks for the most self-sacrifice from its participants?  
Wrestling!

What is the most combative sport in high school? Wrestling!

What sport builds the most "character"? Wrestling!

Our wrestling team this year improved more than any wrestling team in recent history. We had five state wrestlers which included one who received All-American honors. We all suffered defeat, but all experienced victory. Whether in victory or defeat, the fact that the wrestlers were in the arena fighting and doing their best with the talent that was theirs, is what is important. As President Roosevelt said, "The only losers are those cold and timid souls who know neither victory or defeat."

# SADIE HAWKINS

ROYALTY: Lil Abner: Mark Codwell, Daisy Mae: Jody Noorlander

"You're caught!" As the girls chase the boys they wanted to take to the Sadie Hawkins dance, this familiar phrase was heard many times. The boys put up a pretty good chase, even though they were aching for a girl to ask them to the fun Hill-billy dance. The chase included everything from girls chasing boys on top of buildings to girls waiting outside a boy's last period classroom to catch him the easy way, but the boy always seemed to outwit her by crawling off the building or out of the window.

One of the Sadie Hawkins chasers said, "Sadie Hawkins is really a fun and exciting week, but, it sure poops you out!"

Whereas the boy commented, "You've just got to be smart and always on the alert. You never know when some girl is going to pop out and say, 'You're caught!'"

# TIGERETTE WEEK

Tigerette Week was held January 10 - 14. Each day brought a new activity: Monday: Blue day and baby pictures. Tuesday: Dress up day. Wednesday: Dad's day. Thursday: Cool day. Friday: Red and Black day. Friday night they sponsored a dance which turned out to be a success. The theme was "Shake Your Bootee." At the floorshow the winners of the baby contest, Mary Edwards, and the spirit chain, Class of '80, were announced.

Tigerette Week added to the school spirit and pride which was carried on throughout the year

# HOMECOMING '76 "THE TIMES OF OUR LIFE"

The excitement of Homecoming Week was brought to life with the theme "The Times of Our Life." All during the week people were running around trying to get everything in order. An early morning breakfast, sponsored by the Tigerettes, got the team excited for the Homecoming Game. With class skits brought talent, fun, and laughter to the week's activities. The parade demonstrated our talent for building floats; the Seniors proved their ability and experience by taking first place. At the Homecoming Assembly many of the Alumni retraced their footsteps with song and talk of the times of their lives at H.H.S.

# "ANNIE GET YOUR GUN"

The spring musical brought a little different taste to H.H.S. It was a rip-roarin' western about Annie Oakley and the wild west. The director was Miss Done, a new addition to the faculty. When practices were announced, there was a familiar groan and a usual wonder if they could pull it off. But when opening night came to an end, knew all the long hours they had spent were worth it.
